

Kevin: Hero, what are you into?

Hero: I'm into bicycling.

Kevin: Do you have a bike?

Hero: Yes! My best bike is my mountain bike. It cost an arm and a leg, but it's worth every penny. It's more comfortable than a normal bike.

Lary: How many bikes do you have?

Hero: I have 2 mountain bikes and 1 road bike.

Lary: Bicycling has really taken off, lately.

Hero: Yeah. I think you're right!
