

I'm Only Sleeping

JOHN LENNON

When I wake up early in the morning,
Lift my head, I'm still **yawning**.
When I'm in the middle of a **dream**,
Stay in bed, float upstream

Please don't wake me,

No, don't shake me,

Leave me where I am.

I'm only sleeping.

A photograph of a man with a large, voluminous rainbow-colored afro wig, wearing an orange shirt with "MIKASA" and "東矢工業株式会社" (Tōya Kōgyō Kabushiki Kaisha) logos. He is smiling and giving a thumbs-up gesture towards the camera. The background shows a subway platform with blurred motion, suggesting movement. A red rectangular box contains the following text:

Everybody seems to think I'm **lazy**.
I don't **mind**, I think they're **crazy**.
Running everywhere at such a speed,
Till they find there's no need.

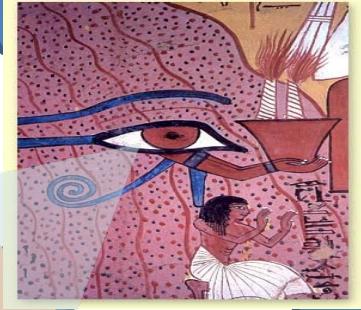

Please don't spoil my day

I'm miles away,

And after all,

I'm only sleeping...

Keeping an eye
On the world going by
My window.
Taking my time.

Lying there
and staring at the
ceiling,
Waiting for a sleepy feeling.

[Instrumental]

Please don't spoil my day, I'm miles away,
And after all.....
I'm only sleeping.

A photograph of a woman with short blonde hair, wearing a blue and white striped shirt, looking out of a window. She is holding onto a metal railing. In the background, another person is visible. Outside the window, a large globe of the Earth is centered, set against a dark background with numerous small, glowing stars. The scene suggests a view from a spacecraft or a high-altitude observatory.

Keeping an eye on the world

Going by

My window...

...Taking my time.

When I wake up
Early in the morning,
Lift my head,

I'm still yawning.

A surreal, green-toned illustration depicting a dreamlike landscape. In the center, a large, pale green face with multiple eyes and a wide, toothy grin seems to float in the air. The face is surrounded by various floating, organic shapes and structures, including what look like stylized trees or coral reefs. The background is a hazy, light green color, suggesting a misty or underwater environment. The overall mood is whimsical and otherworldly.

When I'm in the middle of a dream,
Stay in bed, float upstream.

Please
wake me, no, don't
shake me,
don't
leave me
where I am,
I'm only sleeping.
