### Conversation 1:

**Jenn:** So, Kevin. What do you want to do this weekend?

**Kevin:** There are a lot of things I want to do, Jenn!

**Jenn:** Really? Tell me more!

**Kevin:** Well, I want to go to Central Park. There's a new climbing wall there. Do you want to do some rock climbing?

**Jenn:** Umm. I don't know. Rock climbing sounds OK, but I want to spend time at the gym. I'm so busy. I rarely go there any more. I want to get in shape.

**Kevin:** Jenn! You do? You look so great!

**Jenn:** Well, I don't feel so great.

### Conversation 2:

**Alan:** Hi Karen.

**Karen:** Hi Alan. How are things?

**Alan:** I'm stressed out.

**Karen:** Really? Why's that?

**Alan:** Oh, you know. Work is busy.

**Karen:** Oh . . . Tell me more.

**Alan:** There's a big sales meeting next week. I'm nervous about it.

**Karen:** Well, are you done working for the day?

**Alan:** Yeah, I'm done. I need a break.

**Karen:** Do you want to go to that coffee shop that you like? It's relaxing there.

**Alan:** But don't you have plans with Richard? I thought you two were going to the Starlight Jazz Club. You love that place.

**Karen:** I do . . . but I also want to spend time with you.
